INTRODUCTION

What is 12A Registration?

12A registration helps your NGO become tax-exempt. After getting this certificate, your income is not taxable under the Income Tax Act. It helps you use your funds entirely for your social work.

Without 12A, your NGO may have to pay taxes like a business, which is a huge setback.

What is 80G Registration?

[section 8 ngo registration](#) benefits your donors. It allows them to claim a deduction of up to 50% of the donated amount when they file their income tax returns.

This makes people more willing to donate since they get a tax benefit too.
